

Bicycle Safety Education Program Liability/Activity Release Form

Date: _____ Location: _____ Leader/Organization Representative: _____
 Safe Kids Representative: _____

I/we understand that cycling is a potentially dangerous activity, involving risk of injury. Designed for children ages 8-12, who can ride bicycles independently, the _____ Bicycle Safety Rodeo teaches helmet use, hand signals, traffic signs, maneuvering through intersection and out of driveways. To fully insure a child's safety throughout the _____ Bicycle Safety Rodeo course, I/we recognize and assume the following responsibilities and agree the child (children) will appropriately wear a helmet and obey all rules and regulations of the course while operating a bicycle during this program; and are in good physical condition, with no medical impairments that would prohibit involvement in this safety program; realizing that this safety program involves outdoor physical activity. I/we further realize this safety program will include on-bicycle participation and is not a "how to ride" program but a "safety" program. _____ will not assume legal liability for program participants. Participants must possess their own. The undersigned thus agree to the terms above and take responsibility for the following children during the program. The undersigned understands the intent of this release and agree to and will discharge, release, absolve and hold harmless _____, and their officers, volunteers and staff leaders and any other parties connected with this event in any way whatsoever, jointly and severally, from and against any and all blame or liability for any injury, misadventure, harm, loss, inconvenience, or damage, sustained as a result of taking part in this event or in any activities associated therewith.
