

Be Spotted.....

Summer Cycle Safely

This summer area law enforcement agencies, Park Watch staff and area bike advocates will be roaming the streets and parks looking for kids being safe and wearing a helmet while biking and reward them with a ticket to the knights game.

Those *spotted* unsafe will receive a voucher for a free bike helmet, when *if* redeemed at the select bike stores, will enter them in a drawing for a family four pack of Charlotte Knights tickets.

So wear your helmet and maybe you might be spotted!

For more information on bike safety and this project go to www.safekidscharmec.org or www.carolinasinjuryprevention.com
